

The Red Flash

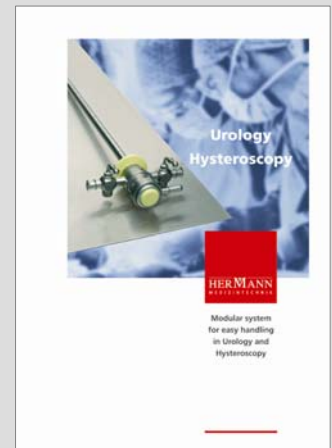

Dear Valued Customer,

Medical Technology is always in motion and change. We, Hermann Medizintechnik, always keep pace with the technological progress and adjust our products according to the latest developments.

We are pleased to present you today our new catalogue versions of two product groups:

Urology /Hysteroscopy

- a carefully matched program
- expansion of the existing product line by **Laser Resectoscopy / Laser Cystoscopy**
- complete, new program "**Hysteroscopy**"
- everything in just one catalogue, so that it can be used by Urologists and Gynaecologists

Electrosurgery

- our program group "Electrosurgery" meets the highest expectations and requirements
- the devices are user-friendly and of superior quality
- products comply with the latest safety guidelines

Please also note our new **HF-Generator with Thermostapler** function.

The Red Flash

Please do not hesitate to ask for your copies of the new catalogues and take a look at our new products.

We are happy to assist you for any inquiries that you might have.

We wish you a lot of success with these new possibilities!

Yours Team from Hermann Medizintechnik!
